Joelle,
Ted McDougall of the Monticello BLM informed me that Boyd Bradford is now deceased. He died sometime in January 1999. It is unknown whether the family will continue operating this site or want to close it out. We do not need to make any changes in our file at the moment, but we should expect some change in operator in the near future.

Please send a copy of this message to file S/037/103.

thanks,
tony g
